To Whom It May Concern:

This is to confirm that the ABF: The Soldiers' Charity is to be the official and sole beneficiary charity of the forth-coming '**Support Our Troops**' Fundraising event. The ABF fully endorses and supports the challenge and is extremely grateful for the support and efforts of both Mr. Andy North and Mr. David Edwards.

The Soldiers' Charity depends on people like Andy and David to help us give practical and financial assistance to soldiers and their families in these current times of need. Such funding enables us to continue carrying out our duty – helping these brave and selfless people – whenever that need arises.

In fact our commitment has increased as more injured and affected soldiers are coming back from Afghanistan, we are anticipating an even larger commitment during the next few years.

There is much more still to be done, but it cannot be achieved without continued contributions from the ABF's supporters.

Your kind support is absolutely vital to our work and, for that, I offer you my sincerest gratitude.

Yours sincerely

Major General Sir Evelyn Webb-Carter KCVO OBE
